Display User Security

The following information is displayed for each user.

Field Name	Description
Role Name	The name of the role(s) assigned to a user. Note: The role defines the functions that a user can perform on DCDS.
Function	List of functions assigned to a user. Note: Functions define the actions of a role (i.e. entry or inquiry).
Dept, Agy, TKU	The Department, Agency or Timekeeping Unit (TKU) a user may access.
Update	A (✓) indicates the user has update capabilities.
